

God in all things

Dear St. Andrew Catholic School Families,

As principal of St. Andrew Catholic School, it is my pleasure to welcome everyone back for another great year at St. Andrew Catholic School. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed. Connected, and a part of our St. Andrew family. Additionally, we strive to challenge each student to grow in his or her academics as well as faith life. At St. Andrew Catholic School, we have great teachers who spend hours planning and creating classroom activities to engage our students in learning. Our teachers utilize research-based best practices and analyze academic data to determine current skill levels and to set goals for growth and improvement.

We hope that you will find our website helpful and informative. All of the information we send out via email can also be found on our website. Our weekly newsletters are emailed to parents on Friday afternoon and we upload a copy to our website's "School Life" tab. We also have entered dates for all events and activities into the "Calendar" features of our website. Additionally, we have a Facebook and Twitter account that we will use to send out updates and quick announcements as we go throughout the school year. The information for these accounts can be found below.

I am honored to serve as the principal of St. Andrew Catholic School. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic, spiritual and social growth. Please feel free to contact me at 407-295-4230 ext. 1729 or lgipson@standrewcatholicschool.org.

Once again, welcome back! Let's make it another great year at St. Andrew together!

Teamwork leads us to our goals!

Sincerely,
Latrina Peters-Gipson
