

For Students entering Second and Third Grade

Dear Parents,

I have put this reading packet together to help encourage summer reading. Please help your child this summer by encouraging them to read every day for at least 20 minutes.

Students who read every day for 20 minutes over the summer will have read for over 1,500 minutes over their entire summer.

I encourage you to take an active part in your child's learning and use this packet to help them stay on track and motivated to keep reading.

Happy Summer! ☺
