

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14).

Hello St. Andrew Catholic Community,

Please join us for National Catholic Schools Week, our annual celebration of what makes education at St. Andrew Catholic School outstanding. Starting with our St. Andrew Catholic Community Sunday Mass on January 28, we have a whole week of activities planned to show what our students are accomplishing and to celebrate the community we have built to educate tomorrow's citizens and church leaders.

The theme of our celebration is "United in Faith and Community." The theme encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, educators are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.

The theme also focuses on key elements of Catholic education: faith development, academic excellence and dedication to service. These elements set Catholic schools apart from other educational options. They are why families make sacrifices to provide their children with a Catholic education.

I hope you will visit our St. Andrew Catholic School campus during National Catholic name of school Schools Week to enjoy the students' and learn displays and concerts about their faith development and community service projects. Please bring your friends and neighbors, particularly those who may be considering Catholic education for their children.

I am grateful every day for the teachers, staff, board members, parents and volunteers who make our school a success. National Catholic Schools Week is a good time for all of us to thank them for their dedication and service. Devotedly yours in Christ

Blessings,
Mrs. Gipson

As you all should know, the cost to educate a student for the 2023-2024 school year as stated in our 2023-2024 Tuition & Fee Schedule is \$11,592.00.

Our tuition is \$8,516.00 for Pre-K4-5th which is a \$3,076.00 difference. This tuition amount includes school supplies, as well as three field trips and retreats.

Our tuition for 6th grade is \$8496.00 which is a \$3096.00 difference. This tuition amount includes school supplies, as well as three field trips and retreats.

Our tuition for 7th grade is \$8517.00 which is a \$3075.00 difference. This tuition amount includes school supplies, as well as three field trips and retreats.

Our tuition for 8th grade is \$8607.00 which is a \$2985.00 difference. This tuition amount includes school supplies, as well as three field trips and retreats.

In order to keep expenses reasonable for families, we try to bridge the difference with fundraiser such as the World's Finest Chocolate Fundraiser that starts tomorrow as posted on our 2023-2024 St. Andrew Catholic School calendar which became available July 1, 2023 and in the Spartan Press.

Below, you will find what our 2023-2024 Handbook says about fundraising:

FUNDRAISING

All families must participate in school fundraising activities. The Home and School Association organizes and implements the fundraising program working with sales representatives from various vendors. Families/students fundraising for SACS are expected to use parent-approved friends, relatives and neighbors, not door-to-door selling. The revenue from the fundraisers is used to offset additional expenses or unbudgeted items that tuition does not cover such as technology enhancements, facilities and campus improvements, classroom enrichment materials, and a variety of instructional supplies.

School groups and the student body conduct fundraising drives such as Dollar Dress Down Days and Bake Sales. The type, frequency, and scheduling of these drives must be approved by the School Administration. Contributions and participation by students and employees is voluntary.
